IGCSE Mathematics (4400) Paper 3H Higher Tier

Edexcel is one of the leading examining and awarding bodies in the UK and throughout the world. We provide a wide range of qualifications including academic, vocational, occupational and specific programmes for employers. Through a network of UK and overseas offices, Edexcel's centres receive the support they need to help them deliver their education and training programmes to learners.

## November 2010 IGCSE Mathematics (4400) Mark Scheme - Paper 3H

The following questions require a seen valid method before the accuracy mark can be awarded: Q6, Q12, Q14b, Q16b, Q21b
For all other questions a correct answer implies a correct method
